

The Idaho Falls “Piranhas” Swim Team finished second behind the Boise Y Swim Team at the Snake River Summer Championships held in Boise, Idaho July 31st-Aug 2nd. Not only did they capture second in team points with less than half the swimmers of the champions, the Piranha Boys 15-19 year old 200 meter free and medley relays and the Girls 15-19 year old 200 meter medley relay won gold medals in finishes reminiscent of recent USA Olympic Swim Team relay exploits.

“Summer Champs” was Team Captain Cidnee Maggart’s first swim meet as a Piranha in the 8 and under division years ago and it was her last meet as a Piranha 18 year old. Maggart leaves her teammates behind to swim for the University of Nebraska at Kearny on a full-ride swimming and academic scholarship. Cidnee Maggart, posted four top three finishes including first in her 400-800 meter events, four “A” times, and four personal best times.

Snake River Swimming awarded its annual Academic Excellence awards at “Summer Champs” to each 9-12th grade swimmer who maintains a GPA of 3.5 all year long. Piranhas maintained their tradition of 100%, or 15 of 15 of their “senior” swimmers receiving this award.

Piranha top performances:

Tori Yarnell, 17, six top three finishes including first place in her 50-100 meter free events, four “AA” races and and eight personal best times.
